

Supplementary File S1: Questionnaire

Supplementary File S1 contains the full questionnaire used for data collection.

Questions on Mothers' Knowledge of Stunting

No.	Question	Yes	No
1	Do you know what stunting is?		
2	Have you ever heard the term "stunting"?		
3	Did you provide exclusive breastfeeding for the first 6 months?		
4	Are you aware of the risks of giving formula milk to a baby under 6 months old?		
5	Did you provide complementary foods (solid foods) after your baby reached 6 months of age?		
6	During your pregnancy, did you have routine check-ups at a healthcare facility (e.g., public health center or midwife)?		
7	Did you consume iron supplement tablets during your pregnancy?		
8	Do you regularly take your child to the integrated health post (Posyandu) for growth monitoring?		
9	Has your child completed their basic immunizations?		
10	Do you weigh your child regularly every month?
